

# PROGRAMMING THE NATION?

**Are we all brainwashed? Or, have we lost our minds?**

*"The film is thought provoking. The director doesn't have an agenda. He explores alleged subliminal media messages with an open mind and let's the audience decide."*

- Bob Mann, (Host of "Let's Consider the Source") [Sirius/XM Radio](#)

*"(an) issues-driven documentary carried along by the strength of its ideas... excellent interviews and a thoughtful global consideration of its topic."*

- Ray Greene [Box Office Magazine](#)

*"A thought provoking and entertaining documentary. The subject is compelling and the execution is done well. The wide variety of interview subjects keeps the film fresh!"*

- Nic Baisley [FilmSnobbery](#)
